The Lost Gutenberg

"The Lost Gutenberg" one of the best from Margaret Leslie Davis Author and has been published on 2019-03-19 ago with 304 Pages.

A lively tale of historical innovation, the thrill of the bibliophiles hunt, greed and betrayal. The New York Times Book Review An addictive and engaging look at the competitive, catty and slightly angst-ridden heart of the world of book collecting. - The Houston Chronicle The never-before-told story of one extremely rare copy of the Gutenberg Bible, and its impact on the lives of the fanatical few who were lucky enough to own it. For rare-book collectors, an original copy of the Gutenberg Bible--of which there are fewer than 50 in existence--represents the ultimate prize. Here, Margaret Leslie Davis recounts five centuries in the life of one copy, from its creation by Johannes Gutenberg, through the hands of monks, an earl, the Worcestershire sauce king, and a nuclear physicist to its ultimate resting place, in a steel vault in Tokyo. Estelle Doheny, the first woman collector to add the book to her library and its last private owner, tipped the Bible onto a trajectory that forever changed our understanding of the first mechanically printed book. The Lost Gutenberg draws readers into this incredible saga, immersing them in the lust for beauty, prestige, and knowledge that this rarest of books sparked in its owners. Exploring books as objects of obsession across centuries, this is a must-read for history buffs, book collectors, seekers of hidden treasures, and anyone who has ever craved a remarkable book--and its untold stories.

Gutenberg WordPress plugin | WordPress.org Gutenberg is a codename for a whole new paradigm for creating with WordPress, that aims to revolutionize the entire publishing experience as much as Gutenberg did the printed word.
